## **THE MELBOURNE PIRATE MARKETS and BUCCANEERS BALL**

Shop like a Swashbuckler. Party like a Pirate!

The jauntiest social event in Melbourne returns for its 6th triumphant year. The Pirate Market sells rare artisan crafts, costumes, collectibles and curios made by Melbourne's best creative folk. As night falls the markets are swept away and the Buccaneers Ball kicks up its heels with a night of games, dancing, drinks and revelry!

This festival of Pirates features the Swashbucklers Tournament, a Swordfighting Class, the Games Loft where everyone can play board games and Pirate Poker, Tarot Reading in the Mystics Cave, Best Dressed Awards, The Jig Off Dance Competition, Tavern Open Mic, the Pirate Loot Raffle, party games and more!

The best way to enjoy the day is to visit the markets at around 5pm, then grab some hot food and comfy lounges and have dinner in 24 Moons or play games in the Games Loft, then stay for an evening of piratical shenanigans.
